HOLMES SELLS OUT

SOUTH MAIN STREET GROCERY PURCHASED BY FAIRPORT MAN.

CHANGE TO OCCUR JAN. 1

Mr. Holmes Has Been in Business in Maryville for 16 years, and Was Very Successful and Popular.

Announcement was made Friday of a change of business in Maryville that came as quite a surprise in business circles. The grocery firm of G. B. Holmes & Co., has sold its business at Main and Firsts streets to Charles F. Remus of Fairport, Mo., the change to take effect January 1, 1912. The Holmes company sold its business on September 1 to Mr. Remus, but the announcement of the change was not made known by the firm until Friday.

Mr. Remus has been in the retail grocery business at Fairport the past ten years, and is a thorough business man. He was a traveling salesman for a well known grocery firm for a good many years before going into business for himself, and from what we learn of him he will prove a valuable addition to Maryville's business life.

G. B. Holmes, the senior member of the firm of Holmes & Co., has been closely identified with Maryville's best business interests for many years. On March 1, 1895, he became a partner with Anderson Craig in a grocery business at the present location of the store, which continued one year and a half. September 5, 1896, Mr. J. R. Brink succeeded Mr. Craig, and the firm of Brink & Holmes continued a successful business at this place for about twelve years. February 1, 1910, Mr. Holmes purchased the interest of Mr. Brink and associated with him his son, Daniel H. Holmes, under the firm name of G. B. Holmes & Co.

Mr. Holmes traveled for nearly twenty years as a salesman for the best wholesale grocery firms in Missouri before opening his retail business in Maryville. His wide acquaintance with wholesale houses and various branches of the grocery business enable him to buy wisely, and he has always strived to carry the best line of groceries that could be secured. He had exclusive sale of the famous Richelieu brand of pure food goods, which held the best trade for him. His successor, Mr. Remus, will continue to control this line of goods for this community.

Messrs. Holmes are justly proud of the splendid trade they have always enjoyed, and are thankful to their many friends for their success. They have several plans for the future, but are not ready at this time to make known what business they will engage in. Dan H. Holmes will go in the employ of Spragg, Warner & Co. of Chicago as a traveling salesman.

ARE NOT THANKFUL

REV. PARVIN SAYS MAN IS MOST UNGRATEFUL OF CREATURES.

SINGING WAS A FEATURE

Collection of $22.53 Taken and Money Will Probably Be Turned Over to Charity Board.

The union Thanksgiving services at the First Baptist church Thursday morning were largely attended. Rev. Lee Harrel, pastor of the church, presided, and Rev. Claude J. Miller of the First Christian church, Dr. J. S. Ford of the First M. E. church, Rev. W. J. Parvin of the M. E. church, South, and District Superintendent W. B. Christy were present and took part in the services.

Rev. Parvin, who preached the sermon, read the 63d Psalm as a basis for his sermon. He spoke of the happy conditions existing in this country that are promotive of the highest civilization, but regretted that we are not a more thankful people. He drew several profitable lessons to show that nature is more grateful than man, proving that all things in nature renders a rich return for the rains and suns and winds by giving bountifully of herself to all around her. He spoke of the conditions of other countries, of China's struggle for liberty, and of the victorious struggle, he truly believed, that is now being waged in this country for freedom from the bondage of the liquor traffic.

Mr. F. M. Petty then gave a report of the charity committee representing the various churches, and reporting a balance of $60.19 in the treasury. A collection of $22.53 was taken, which will probably be given to the board of charities of this city to use in their work.

The singing by the men's choir, under the direction of Professor Landon, was excellent, and the State Normal quartet sang two numbers that were highly appreciated.

TWO YEARS IN PEN

MOUNTS RECEIVED SENTENCE—WAS PAROLED BY THE COURT.

FINE AND JAIL SENTENCE

For Eber Stevenson, Ex-Illinois Convict—Other Cases Up in Court.

G. H. Mounts, a single man, aged about 35 years old, was given two years in the penitentiary Friday morning in circuit court, when he pleaded guilty to the charge of carrying concealed weapons. He was, however, paroled for good cause shown and upon a $500 bond, which was given, with W. A. Blagg and Ed Sherlock as sureties.

Mounts and Simon Lynch got into a fight at Wilcox last October over a personal matter, and Mounts drew a gun on Lynch. The gun was taken from Mounts by several of the bystanders. Lynch had Mounts arrested, and he has been in the county jail here since October 6.

The case of James Borchers vs. Joseph Brewer, an injunction suit, on a change of venue from Andrew county, was taken up before the court Friday afternoon. The attorneys for the plaintiff are Hine & Cross of Savannah and Cook, Cummins & Dawson of this city, and for the defendant C. F. Strop of St. Joseph, Breit & Roberts of Savannah and Shinabargar, Blagg & Ellison of this city.

The November term of court will probably adjourn Saturday afternoon, as nearly all of the sases have either been tried or disposed of.

Eber Stevenson was found guilty of assault with intent to kill by a jury in circuit court Wednesday night and was given a month jail sentence and a fine of $100.

Stevenson was charged with attacking Harry Rutherford, baggage agent at the Burlington passenger station, last August. Bystanders interfered and Stevenson rushed to his grip and procured two revolvers and started for Rutherford again, when he was overpowered.

Stevenson was formerly in the Illinois state penitentiary at Joliet, having been sent there in 1898 for five years for assault with intent to kill a Peoria man. While employed in the shoe making department of the Joliet prison Stevenson engaged in a fight with a fellow prisoner and is alleged to have killed his opponent with a shoe knife. The conflict between the two was a desperate one, and Stevenson was literally cut to pieces. He was paroled to die, but recovered.

The following cases were dismissed: Z. J. Joslin vs. Chicago Great Western railway, D. N. Scott vs. Wabash, and E. C. Gooden vs. Chicago Great Western railway.

Motions for new trial were filed in the following cases: C. C. Dougherty vs. A. J. Holt, George W. Crossan vs. James Vert, and Victoria A. Lund vs. estate of John F. Partridge.

The following suits were continued by agreement: Robert L. Bantz vs. Burlington railroad, city of Skidmore vs. W. R. Linville, an appeal case; Lewis Hammond vs. A. C. Ford, William Volker vs. R. E. and J. W. Thomas.

In the case of the state vs. James and Wood Gaulding, a continuance was granted by the court.

PETITION TO GO IN

COUNCIL MEETING TONIGHT TO BE ASKED FOR ELECTION.

HAVE OVER 300 NAMES

Judge Sayler Resigned as Secretary of Organization and W. W. Glass Was Named to Succeed Him.

At a meeting held Tuesday evening of the officers and those back of the local option campaign, it was decided to present to the city council at their meeting to be held this, Friday, evening the petitions that have been signed by the citizens requesting the council to call an election to test the sense of the voters on local option in this city.

As the petitions contain over 300 names, or many more than is required, the council will have to set aside a day when the question will be voted on. All that was necessary to have the council call an election was to have 10 per cent of the legal voters of the city.

If the petitions were not presented this evening to the council the question couldn't come up until at the next spring city election.

What day the council will determine to hold the election on is not known. It will probably be the latter part of January or the first part of February.

Judge J. H. Sayler, who was elected secretary of the organization, resigned his position, stating that he was too busy with his business to permit him to take the time that the secretaryship requires. W. W. Glass was named to fill that office.

WILL IMPROVE ROAD

TARKIO MEETING MOST ENTHUSIASTIC IN THIS SECTION.

THE GLIDDEN O.K. ROUTE

All the Towns Along Route Are Enthusiastic and Will Do Their Part in Improving Highway.

The meeting held in Tarkio Wednesday afternoon of the representative business men of Maryville, Burlington Junction, Rockport, Fairfax, Shenandoah and Tarkio was well attended, and it was decided that the Glidden tour of 1910 through this county and Atchison up to Shenandoah, Ia., be perpetuated, and to improve the road in the spring.

President Hall of the Tarkio Auto club presided. Mr. Field of Shenandoah reported that this route was marked from Omaha to their city, and on behalf of the Shenandoah delegation promised that they would mark and improve the road to the state line. Mr. Hall, on the part of the Tarkio Auto club, agreed to take the route from where it left off and mark the same through Atchison county. J. H. Sewell, on behalf of Burlington Junction, agreed to take the line from the Atchison county line and run the same through Burlington Junction and half way to Maryville. Mr. Roseberry, secretary of the Maryville Commercial club, taking the line from this point to Maryville and then south to St. Joseph.

The delegations from Rockport and Fairfax were very enthusiastic, and made arrangements with the Tarkio Auto club to mark and drag their road to connect with this route at Tarkio. This was the most enthusiastic road meeting ever held in Northwest Missouri. The hall was well filled, and every man was a booster.

It was decided to call the route the Glidden O. K. short line, the O. standing for Omaha, and the K for Kansas City.

According to present plans every telephone pole along the way is to be marked by a band of white, eighteen inches wide, six inches at top and bottom being painted red. Every mile along the route it is proposed to have a sign post giving the name of the nearest town in either direction and the distance thereto.

The movement now is being undertaken with the object of preventing the use of the west side of the Missouri river for the proposed highway connecting Omaha and Kansas City.

Those from Maryville attending the meeting were G. B. Roseberry, Paul Sisson, Joseph Jackson, Jr., Earl Barmann, H. L. Raines and E. C. Curfman.

DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Maryville Citizen's Advice.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Maryville. Follow the advice of a Maryville citizen and be cured yourself.

Mrs. A. Weidman, East Thompson street, Maryville, Mo., says: "I had terrible pains in my kidneys and was also bothered by the kidney secretions. The contraction of a cold or a change in the weather was sure to increase my suffering. I used every remedy that I thought would help me, but met with indifferent success. I had about despaired of ever finding relief, when I heard of Doan's Kidney Pills. I procured a box at Charles A. Love's drug store and found them to be especially adapted to my case. I was soon free from all aches and pains and my kidneys were restored to a normal condition. I have enjoyed excellent health since then and I know that my cure is a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SHE TRIED SUICIDE

GRACE WRIGHT ATTEMPTED TO TAKE HER LIFE IN ST. JOSEPH.

LEFT LETTER FOR MOTHER

Disappointment in Love Affair Apparent Cause of Trouble—She is 20 and Remarkably Handsome.

Seated in the waiting room at the union depot at St. Joseph, Miss Grace Wright of Graham attempted suicide Wednesday by drinking carbolic acid. She was sent to police headquarters and attended by Dr. James J. O'Connor, after which she was removed to St. Joseph hospital. It is thought she will recover.

No cause can be assigned for her act. It would appear that she had a love affair, judging from a letter which she wrote a few minutes before she swallowed the poison. The letter, which was found by the police, was as follows:

"Mrs. J. R. Wright, Graham, Mo. Dear Mamma and Papa: I write you my last farewell. I have nothing more to live for. Please forgive me for not telling you I was going to meet him. I could not die without seeing his beloved face. I would rather die than live without him. Do not blame him, and for God's sake be good to him. I tried hard enough to forget him, but could not. From your ever loving daughter.

"Don't blame him. He did not know anything about it. I cannot live without him."

Irving Moore of Weatherby, Mo., a farmer, came to St. Joseph with Miss Wright Wednesday morning, and expected to accompany her to her home near Graham last night. To Police Captain Roderick he stated that, while he had formerly "kept company" with her, there had been no love affair. Moore said he did not believe he could have been the man mentioned in the letter written by the girl before she swallowed the poison. The captain detained him at the police station for a few hours, thinking he might perhaps learn something additional in relation to the suicide.

Moore and Miss Wright arrived here by an early train, and Moore left her at the depot while he went uptown. He did not return until after noon, and found her in charge of the depot police, who had seen her take the poison. She is 20 years of age, and remarkably handsome. For several years, Moore says, she has been employed by families near Weatherby, her work being that of a domestic.

PACIFIC FLEET TO SHANGHAI

Will Leave Honolulu at Once, Under Rush Orders.

REVOLUTIONISTS TAKE NANKING

Fighting Force Sent to China Means Intervention by United States, England and Japan.

San Francisco, Cal., Dec. 1.—The entire Pacific fleet has been ordered to rush to Shanghai. American marines have been sent to Pekin from both Tien Tsen and Shanghai. Orders have been issued for 2,500 troops from Manila for Shanghai at once. The Pacific fleet is now at Honolulu and will leave there at once. Intervention by the United States, acting with England and Japan, is authoritatively reported as the reason for rushing the United States fighting force to China.

Nanking, Dec. 1.—The last position of the imperial troops on Purple Hill has been captured by the revolutionists.

Pekin, Dec. 1.—The national assembly convened in secret session at the request of Yuan Shi Kai, the premier.

The Franco-Belgian loan of $30,000,000, which was negotiated by the Japanese Baron Cottu, was approved, as also was the contract in conjunction with the loan for a bridge across the Yangtse river between Hankow and Wu-Chang. The sum of 14,000,000 taels to be delivered to the government through the Russian and Belgian bank here, will be forthcoming immediately.

There has been a significant movement of troops in and out of Pekin, Manchus departing and Chinese taking their places. By reason of these changes the garrison now is almost equally balanced between Manchu and Chinese troops. The action of the regent in permitting the departure of the Manchus is believed to indicate his reliance on the loyalty of Yuan Shi Kai, but what is considered the real reason for the change is that Yuan Shi Kai feared an outbreak among the troops which would augment his difficulties and possibly result in anti-foreign disorders. Manchus, however distrust Yuan Shi Kai and believe his object was solely to obtain complete power.

William J. Calhoun, the American minister, is continuing his endeavors to induce Americans in the interior to come to places where foreign protection can be afforded them.

Most of the provinces have declined or ignored the government's summon, that they send representatives to Pekin to discuss the constitution, but it is said they are willing to meet delegates from the loyal provinces at Shanghai. Yuan Shi Kai has signified his willingness to accept the constitution, if the provinces are agreable to it.

HAD NOVEL MEANS OF ESCAPE

Prisoner Weighing 200 Pounds Gets Through 14-Inch Hole But is Recaptured.

Galveston, Tex., Dec. 1.—With an application of soap on his body and five hours' work by four companions, E. B. Keepers, a 200-pound prisoner in the Bexar county jail was hauled to freedom through a hole 14 inches in diameter.

Keepers was lathered until he was foam from head to foot and head first he was started through the opening.

He was finally landed outside more dead than alive, and carried away by his companions. But the experience was too much for the big fellow and he was captured.

Stand Collapses; 50 Hurt.

Jackson, Miss., Dec. 1.—Fifty persons were injured, several possibly fatally, when a temporary grandstand at the state fair grounds collapsed just before play was started in the annual football contest between the University of Mississippi and Mississipi Agricultural and Mechanical college. A thousand or more spectators tumbled to the ground with the wreckage.

Britain Wants More Ships.

London, Dec. 1.—The probability of a big naval loan in the near future is revived by the Pall Mall Gazette, which anticipates that $150,000,000 and possibly more will be raised supplemental to the usual naval estimates.

Wichita Man Killed by Gas.

Wichita, Kan., Dec. 1.—Henry P. Pelkin, a wealthy retired contractor, 65 years old, is dead from the effects of gas fumes inhaled while he slept, a rubber tube having become detached from a gas stove that had been left burning high when he went to bed.

Fourteen Capitol Bids.

Jefferson City, Dec. 1.—Up to date 14 bids, all presumably from Missouri, have been placed with the state treasurer for the state bonds. The bids will be opened at noon regardless of the number presented.

BANISH YOUR GRAY HAIRS.

Use a Harmless Remedy Made From Common Garden Sage and Sulphur.

Gray hair is a mark of age, and nothing that can be said as to its beauty will offset the disadvantages of this mark of age set upon your brow.

Wyeth's Sage and Sulphur Hair Remedy darkens the hair and restores it to its youthful beauty. Our grandmothers and their grandmothers before them used sage and sulphur for darkening their hair. Nothing has ever been found more effective for this purpose than these two time-honored remedies, but Wyeth, a modern chemist, has combined the two with other ingredients, which makes a delightful dressing for the hair, and which not only removes every trace of dandruff but promotes the growth of the hair. It also stops the hair from falling out, and makes it beautiful.

All druggists are authorized to refund the money if it fails to do exactly as represented.

Don't neglect your hair and don't resort to old-time hair dyes. Get a bottle of Wyeth's Sage and Sulphur from your druggist today, and notice the difference in your hair after a few days' use.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special agents, Koch Pharmacy.

NATION TO FIGHT RHEUMATISM.

Crusade Begun Against Alarming Increase of "Weather Disease"—"Educate the Sufferers" is the Slogan.

Washington, D. C., Nov. 29.—Following the recent agitation for a national fight against consumption, extensive tests have recently been made to ascertain what is the most certain method of curing rheumatism permanently.

The claims of many prominent physicians and manufacturers of rheumatism treatments, without prejudice or favor, were taken into consideration. Evidences of cures were carefully scrutinized. T. C. Millard of Flint, Mich., the discoverer of the Fuss Rheumatism Cure, demonstrated so thoroughly the action of his remedy, its certainty, and the exceptional array of proofs, testimonial letters from chronic cases cured by it, that it was decided to sanction the use of this remedy as being the most reliable and the most definite in curative action. It was pronounced by analysis to be absolutely safe in its composition.

One of the most interesting cases noted was that of Mrs. Mary E. Thorn, 605 Pine street, Owosso, Mich., eighty-seven years old, who had been a sufferer for fourteen years, during which time no remedy was found availing. Three days after using Fuss her pains ceased and she is now pronounced cured.

For sale by the Koch Pharmacy in Maryville and all leading druggists, or sent prepaid on receipt of $1.00 or six bottles for $5.00. Fuss Remedy Co., Flint, Mich.

FREE REMEDY HELPS CHILDREN

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is not dynamic like salts, pills and powerful cathartics, which should not be given to children under any circumstances.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again. Wonderful results have been secured with Syrup Pepsin over night.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

For the free sample address him, Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

FIGHT STOPPED THEIR WEDDING

"Happy" Event Abandoned, With Prospective Bride and Groom Both in Jail.

St. Joseph, Dec. 1.—What was to have been the public wedding of David Cunningham of Topeka and Bertha Fowler of Joplin, Mo., as an added attraction of a show which is being given here, was called off when the managers discovered the bride and groom occupying cells at police headquarters.

Friends of the couple surprised them in the afternoon with a spread and induced both of the honor guests to drink freely in response to toasts. The bride then decided she didn't want to get married. The groom insisted and his fiance knocked him unconscious with a pitcher. When he recovered Cunningham attacked Miss Fowler and beat her with his fists. Then the police stepped in and arrested both.

VOLUME 2. MARYVILLE, MISSOURI, FRIDAY, DEC. 1, 1911. NO. 154

HOLMES SELLS OUT

SOUTH MAIN STREET GROCERY PURCHASED BY FAIRPORT MAN.

CHANGE TO OCCUR JAN. 1

Mr. Holmes Has Been in Business in Maryville for 16 years, and Was Very Successful and Popular.

Announcement was made Friday of a change of business in Maryville that came as quite a surprise in business circles. The grocery firm of G. B. Holmes & Co., has sold its business at Main and Firsts streets to Charles F. Remus of Fairport, Mo., the change to take effect January 1, 1912. The Holmes company sold its business on September 1 to Mr. Remus, but the announcement of the change was not made known by the firm until Friday.

Mr. Remus has been in the retail grocery business at Fairport the past ten years, and is a thorough business man. He was a traveling salesman for a well known grocery firm for a good many years before going into business for himself, and from what we learn of him he will prove a valuable addition to Maryville's business life.

G. B. Holmes, the senior member of the firm of Holmes & Co., has been closely identified with Maryville's best business interests for many years. On March 1, 1895, he became a partner with Anderson Craig in a grocery business at the present location of the store, which continued one year and a half. September 5, 1896, Mr. J. R. Brink succeeded Mr. Craig, and the firm of Brink & Holmes continued a successful business at this place for about twelve years. February 1, 1910, Mr. Holmes purchased the interest of Mr. Brink and associated with him his son, Daniel H. Holmes, under the firm name of G. B. Holmes & Co.

Mr. Holmes traveled for nearly twenty years as a salesman for the best wholesale grocery firms in Missouri before opening his retail business in Maryville. His wide acquaintance with wholesale houses and various branches of the grocery business enable him to buy wisely, and he has always strived to carry the best line of groceries that could be secured. He had exclusive sale of the famous Richelieu brand of pure food goods, which held the best trade for him. His successor, Mr. Remus, will continue to control this line of goods for this community.

Messrs. Holmes are justly proud of the splendid trade they have always enjoyed, and are thankful to their many friends for their success. They have several plans for the future, but are not ready at this time to make known what business they will engage in. Dan H. Holmes will go in the employ of Spragg, Warner & Co. of Chicago as a traveling salesman.

ARE NOT THANKFUL

REV. PARVIN SAYS MAN IS MOST UNGRATEFUL OF CREATURES.

SINGING WAS A FEATURE

Collection of $22.53 Taken and Money Will Probably Be Turned Over to Charity Board.

The union Thanksgiving services at the First Baptist church Thursday morning were largely attended. Rev. Lee Harrel, pastor of the church, presided, and Rev. Claude J. Miller of the First Christian church, Dr. J. S. Ford of the First M. E. church, Rev. W. J. Parvin of the M. E. church, South, and District Superintendent W. B. Christy were present and took part in the services.

Rev. Parvin, who preached the sermon, read the 63d Psalm as a basis for his sermon. He spoke of the happy conditions existing in this country that are promotive of the highest civilization, but regretted that we are not a more thankful people. He drew several profitable lessons to show that nature is more grateful than man, showing that all things in nature render a rich return for the rains and suns and winds by giving bountifully of herself to all around her. He spoke of the conditions of other countries, of China's struggle for liberty, and of the victorious struggle, he truly believed, that is now being waged in this country for freedom from the bondage of the liquor traffic.

Mr. F. M. Petty then gave a report of the charity committee representing the various churches, and reporting a balance of $60.19 in the treasury. A collection of $22.53 was taken, which will probably be given to the board of charities of this city to use in their work.

The singing by the men's choir, under the direction of Professor Landon, was excellent, and the State Normal quartet sang two numbers that were highly appreciated.

TWO YEARS IN PEN

MOUNTS RECEIVED SENTENCE—WAS PAROLED BY THE COURT.

FINE AND JAIL SENTENCE

For Eber Stevenson, Ex-Illinois Convict—Other Cases Up in Court.

G. H. Mounts, a single man, aged about 35 years old, was given two years in the penitentiary Friday morning in circuit court, when he pleaded guilty to the charge of carrying concealed weapons. He was, however, paroled for good cause shown and upon a $500 bond, which was given, with W. A. Blagg and Ed Sherlock as sureties.

Mounts and Simon Lynch got into a fight at Wilcox last October over a personal matter, and Mounts drew a gun on Lynch. The gun was taken from Mounts by several of the bystanders. Lynch had Mounts arrested, and he has been in the county jail here since October 6.

The case of James Borchers vs. Joseph Brewer, an injunction suit, on a change of venue from Andrew county, was taken up before the court Friday afternoon. The attorneys for the plaintiff are Hine & Cross of Savannah and Cook, Cummins & Dawson of this city, and for the defendant C. F. Strop of St. Joseph, Breit & Roberts of Savannah and Shinabargar, Blagg & Ellison of this city.

The November term of court will probably adjourn Saturday afternoon, as nearly all of the sases have either been tried or disposed of.

Eber Stevenson was found guilty of assault with intent to kill by a jury in circuit court Wednesday night and was given a month jail sentence and a fine of $100.

Stevenson was charged with attacking Harry Rutherford, baggage agent at the Burlington passenger station, last August. Bystanders interfered and Stevenson rushed to his grip and procured two revolvers and started for Rutherford again, when he was overpowered.

Stevenson was formerly in the Illinois state penitentiary at Joliet, having been sent there in 1898 for five years for assault with intent to kill a Peoria man. While employed in the shoe making department of the Joliet prison Stevenson engaged in a fight with a fellow prisoner and is alleged to have killed his opponent with a shoe knife. The conflict between the two was a desperate one, and Stevenson was literally cut to pieces. He was paroled to die, but recovered.

The following cases were dismissed: Z. J. Joslin vs. Chicago Great Western railway, D. N. Scott vs. Wabash, and E. C. Gooden vs. Chicago Great Western railway.

Motions for new trial were filed in the following cases: C. C. Dougherty vs. A. J. Holt, George W. Crossan vs. James Vert, and Victoria A. Lund vs. estate of John F. Partridge.

The following suits were continued by agreement: Robert L. Bantz vs. Burlington railroad, city of Skidmore vs. W. R. Linville, an appeal case; Lewis Hammond vs. A. C. Ford, William Volker vs. R. E. and J. W. Thomas.

In the case of the state vs. James and Wood Gaulding, a continuance was granted by the court.

PETITION TO GO IN

COUNCIL MEETING TONIGHT TO BE ASKED FOR ELECTION.

HAVE OVER 300 NAMES

Judge Sayler Resigned as Secretary of Organization and W. W. Glass Was Named to Succeed Him.

At a meeting held Tuesday evening of the officers and those back of the local option campaign, it was decided to present to the city council at their meeting to be held this, Friday, evening the petitions that have been signed by the citizens requesting the council to call an election to test the sense of the voters on local option in this city.

As the petitions contain over 300 names, or many more than is required, the council will have to set aside a day when the question will be voted on. All that was necessary to have the council call an election was to have 10 per cent of the legal voters of the city.

If the petitions were not presented this evening to the council the question couldn't come up until at the next spring city election.

What day the council will determine to hold the election on is not known. It will probably be the latter part of January or the first part of February.

Judge J. H. Sayler, who was elected secretary of the organization, resigned his position, stating that he was too busy with his business to permit him to take the time that the secretaryship requires. W. W. Glass was named to fill that office.

WILCOX WABASH AGENT ROBBED HERE FRIDAY MORNING.

FIVE TRAMPS ARRESTED

Missing Articles Were Not Found, But Suspects Were Held for Further Investigation.

Miss Mary L. Meeker, the Wabash station agent at Wilcox, was robbed at the Wabash station in Maryville Friday morning of $163 and a gold watch. Miss Meeker went to the station to meet her sister-in-law, Mrs. A. L. Meeker of Bedison, who came to the city on the early morning local passenger. When the train was coming in Miss Meeker followed after the other passengers, and when she reached the door of the depot she noticed that her pocketbook was gone. She went back to look for it, but could not find it anywhere.

The authorities arrested five tramps who are suspected, but after being searched the missing articles could not be found. They are being held for investigation.

Miss Meeker was intending to bank her money at one of the Maryville banks Friday. She had $60 in bills, a draft for $75, a railroad pay check for $28 and a gold watch.

He has been reading them constantly for many years and is without doubt the best interpreter of the day of those plays.

WILL IMPROVE ROAD

TARKIO MEETING MOST ENTHUSIASTIC IN THIS SECTION.

THE GLIDDEN O.K. ROUTE

All the Towns Along Route Are Enthusiastic and Will Do Their Part in Improving Highway.

The meeting held in Tarkio Wednesday afternoon of the representative business men of Maryville, Burlington Junction, Rockport, Fairfax, Shenandoah and Tarkio was well attended, and it was decided that the Glidden tour of 1910 through this county and Atchison up to Shenandoah, Ia., be perpetuated, and to improve the road in the spring.

President Hall of the Tarkio Auto club presided. Mr. Field of Shenandoah reported that this route was marked from Omaha to their city, and on behalf of the Shenandoah delegation promised that they would mark and improve the road to the state line. Mr. Hall, on the part of the Tarkio Auto club, agreed to take the route from where it left off and mark the same through Atchison county. J. H. Sewell, on behalf of Burlington Junction, agreed to take the line from the Atchison county line and run the same through Burlington Junction and half way to Maryville, Mr. Roseberry, secretary of the Maryville Commercial club, taking the line from this point to Maryville and then south to St. Joseph.

The delegations from Rockport and Fairfax were very enthusiastic, and made arrangements with the Tarkio Auto club to mark and drag their road to connect with this route at Tarkio. This was the most enthusiastic road meeting ever held in Northwest Missouri. The hall was well filled, and every man was a booster.

It was decided to call the route the Glidden O. K. short line, the O. standing for Omaha, and the K for Kansas City.

According to present plans every telephone pole along the way is to be marked by a band of white, eighteen inches wide, six inches at top and bottom being painted red. Every mile along the route it is proposed to have a sign post giving the name of the nearest town in either direction and the distance thereto.

The movement now is being undertaken with the object of preventing the use of the west side of the Missouri river for the proposed highway connecting Omaha and Kansas City.

Those from Maryville attending the meeting were G. B. Roseberry, Paul Sisson, Joseph Jackson, Jr., Earl Barmann, H. L. Raines and E. C. Curfman.

Purchased Graves Residence.

Dr. Charles S. Jackson has purchased the west half of the Mrs. Otis Graves property, on West Third street. Dr. Jackson and family will take possession of their new home next spring.

DON'T EXPERIMENT.

You Will Make No Mistake if You Follow This Maryville Citizen's Advice.

Never neglect your kidneys.

If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Maryville. Follow the advice of a Maryville citizen and be cured yourself.

Mrs. A. Weldman, East Thompson street, Maryville, Mo., says: "I had terrible pains in my kidneys and was also bothered by the kidney secretions. The contraction of a cold or a change in the weather was sure to increase my suffering. I used every remedy that I thought would help me, but met with indifferent success. I had about despaired of ever finding relief, when I heard of Doan's Kidney Pills. I procured a box at Charles A. Love's drug store and found them to be especially adapted to my case. I was soon free from all aches and pains and my kidneys were restored to a normal condition. I have enjoyed excellent health since then and I know that my cure is a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SHE TRIED SUICIDE

GRACE WRIGHT ATTEMPTED TO TAKE HER LIFE IN ST. JOSEPH.

LEFT LETTER FOR MOTHER

Disappointment in Love Affair Apparent Cause of Trouble—She is 20 and Remarkably Handsome.

Seated in the waiting room at the union depot at St. Joseph, Miss Grace Wright of Graham attempted suicide Wednesday by drinking carbolic acid. She was sent to police headquarters and attended by Dr. James J. O'Connor, after which she was removed to St. Joseph hospital. It is thought she will recover.

No cause can be assigned for her act. It would appear that she had a love affair, judging from a letter which she wrote a few minutes before she swallowed the poison. The letter, which was found by the police, was as follows:

"Mrs. J. R. Wright, Graham, Mo. Dear Mamma and Papa: I write you my last farewell. I have nothing more to live for. Please forgive me for not telling you I was going to meet him. I could not die without seeing his beloved face. I would rather die than live without him. Do not blame him, and for God's sake be good to him. I tried hard enough to forget him, but could not. From your ever loving daughter.

"Don't blame him. He did not know anything about it. I cannot live without him."

Irving Moore of Weatherby, Mo., a farmer, came to St. Joseph with Miss Wright Wednesday morning, and expected to accompany her to her home near Graham last night. To Police Captain Roderick he stated that, while he had formerly "kept company" with her, there had been no love affair. Moore said he did not believe he could have been the man mentioned in the letter written by the girl before she swallowed the poison. The captain detained him at the police station for a few hours, thinking he might perhaps learn something additional in relation to the suicide.

Moore and Miss Wright arrived here by an early train, and Moore left her at the depot while he went uptown. He did not return until after noon, and found her in charge of the depot police, who had seen her take the poison. She is 20 years of age, and remarkably handsome. For several years, Moore says, she has been employed by families near Weatherby, her work being that of a domestic.

PACIFIC FLEET TO SHANGHAI

Will Leave Honolulu at Once, Under Rush Orders.

REVOLUTIONISTS TAKE NANKING

Fighting Force Sent to China Means Intervention by United States, England and Japan.

San Francisco, Cal., Dec. 1.—The entire Pacific fleet has been ordered to rush to Shanghai. American marines have been sent to Pekin from both Tien Tsen and Shanghai. Orders have been issued for 2,500 troops from Manila for Shanghai at once. The Pacific fleet is now at Honolulu and will leave there at once. Intervention by the United States, acting with England and Japan, is authoritatively reported as the reason for rushing the United States fighting force to China.

Nanking, Dec. 1.—The last position of the imperial troops on Purple Hill has been captured by the revolutionists.

Pekin, Dec. 1.—The national assembly convened in secret session at the request of Yuan Shi Kai, the premier.

The Franco-Belgian loan of $30,000,000, which was negotiated by the Japanese Baron Cottu, was approved, as also was the contract in conjunction with the loan for a bridge across the Yangtse river between Hankow and Wu-Chang. The sum of 14,000,000 taels to be delivered to the government through the Russian and Belgian bank here, will be forthcoming immediately .

There has been a significant movement of troops in and out of Pekin, Manchus departing and Chinese taking their places. By reason of these changes the garrison now is almost equally balanced between Manchu and Chinese troops. The action of the regent in permitting the departure of the Manchus is believed to indicate his reliance on the loyalty of Yuan Shi Kai, but what is considered the real reason for the change is that Yuan Shi Kai feared an outbreak among the troops which would augment his difficulties and possibly result in anti-foreign disorders. Manchus, however distrust Yuan Shi Kai and believe his object was solely to obtain complete power.

William J. Calhoun, the American minister, is continuing his endeavors to induce Americans in the interior to come to places where foreign protection can be afforded them.

Most of the provinces have declined or ignored the government's summon, that they send representatives to Pekin to discuss the constitution, but it is said they are willing to meet delegates from the loyal provinces at Shanghai. Yuan Shi Kai has signified his willingness to accept the constitution, if the provinces are agreable to it.

HAD NOVEL MEANS OF ESCAPE

Prisoner Weighing 200 Pounds Gets Through 14-Inch Hole But is Recaptured.

Galveston, Tex., Dec. 1.—With an application of soap on his body and five hours' work by four companions, E. B. Keepers, a 200-pound prisoner in the Bexar county jail was hauled to freedom through a hole 14 inches in diameter.

Keepers was lathered until he was foam from head to foot and head first he was started through the opening.

He was finally landed outside more dead than alive, and carried away by his companions. But the experience was too much for the big fellow and he was captured.

Stand Collapses; 50 Hurt.

Jackson, Miss., Dec. 1.—Fifty persons were injured, several possibly fatally, when a temporary grandstand at the state fair grounds collapsed just before play was started in the annual football contest between the University of Mississippi and Mississipi Agricultural and Mechanical college. A thousand or more spectators tumbled to the ground with the wreckage.

Britain Wants More Ships.

London, Dec. 1.—The probability of a big naval loan in the near future is revived by the Pall Mall Gazette, which anticipates that $150,000,000 and possibly more will be raised supplemental to the usual naval estimates.

Wichita Man Killed by Gas.

Wichita, Kan., Dec. 1.—Henry P. Pelkin, a wealthy retired contractor, 65 years old, is dead from the effects of gas fumes inhaled while he slept, a rubber tube having become detached from a gas stove that had been left burning high when he went to bed.

Jefferson City, Dec. 1.—Up to date 14 bids, all presumably from Missouri, have been placed with the state treasurer for the state bonds. The bids will be opened at noon regardless of the number presented.

BANISH YOUR GRAY HAIRS.

Use a Harmless Remedy Made From Common Garden Sage and Sulphur.

Gray hair is a mark of age, and nothing that can be said as to its beauty will offset the disadvantages of this mark of age set upon your brow.

Wyeth's Sage and Sulphur Hair Remedy darkens the hair and restores it to its youthful beauty. Our grandmothers and their grandmothers before them used sage and sulphur for darkening their hair. Nothing has ever been found more effective for this purpose than these two time-honored remedies, but Wyeth, a modern chemist, has combined the two with other ingredients, which makes a delightful dressing for the hair, and which not only removes every trace of dandruff but promotes the growth of the hair. It also stops the hair from falling out, and makes it beautiful.

All druggists are authorized to refund the money if it fails to do exactly as represented.

Don't neglect your hair and don't resort to old-time hair dyes. Get a bottle of Wyeth's Sage and Sulphur from your druggist today, and notice the difference in your hair after a few days' use.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special agents, Koch Pharmacy.

NATION TO FIGHT RHEUMATISM.

Crusade Begun Against Alarming Increase of "Weather Disease"—"Educate the Sufferers" is the Slogan.

Washington, D. C., Nov. 29.—Following the recent agitation for a national fight against consumption, extensive tests have recently been made to ascertain what is the most certain method of curing rheumatism permanently.

The claims of many prominent physicians and manufacturers of rheumatism treatments, without prejudice or favor, were taken into consideration. Evidences of cures were carefully scrutinized. T. C. Millard of Flint, Mich., the discoverer of the Fuss Rheumatism Cure, demonstrated so thoroughly the action of his remedy, its certainty, and the exceptional array of proofs, testimonial letters from chronic cases cured by it, that it was decided to sanction the use of this remedy as being the most reliable and the most definite in curative action. It was pronounced by analysis to be absolutely safe in its composition.

One of the most interesting cases noted was that of Mrs. Mary E. Thorn, 605 Pine street, Owosso, Mich., eighty-seven years old, who had been a sufferer for fourteen years, during which time no remedy was found availing. Three days after using Fuss her pains ceased and she is now pronounced cured.

For sale by the Koch Pharmacy in Maryville and all leading druggists, or sent prepaid on receipt of $1.00 or six bottles for $5.00. Fuss Remedy Co., Flint, Mich.

FREE REMEDY HELPS CHILDREN

Many a mother has learned of a way of avoiding sickness in her family, especially among the children, by the use of a free sample bottle of the famous laxative, Dr. Caldwell's Syrup Pepsin. This offer of the doctor's to send a free sample bottle has been responded to by thousands of women in all parts of America.

Dr. Caldwell's Syrup Pepsin is a truly wonderful laxative and especially adapted to the needs of babies and children because it is pleasant to taste and no child will refuse it. Then, it is mild and never gripes. It is all that a child's remedy should be, though it is a good laxative for the whole family because it is effective at all ages. It is not dynamic like salts, pills and powerful cathartics, which should not be given to children under any circumstances.

Nine times out of ten when a child complains and you don't know exactly what is the matter with it, it needs a laxative—its bowels are constipated. Syrup Pepsin will correct the trouble, tone up the child and soon it will be well again. Wonderful results have been secured with Syrup Pepsin over night.

You can buy it of any druggist at fifty cents or a dollar a bottle, the latter being the family size, but you are invited to make a test of it first at the doctor's expense. Send him your address today and he will send you a free sample bottle direct to your home. Then when satisfied buy it of your favorite druggist.

For the free sample address him, Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

FIGHT STOPPED THEIR WEDDING

"Happy" Event Abandoned, With Prospective Bride and Groom Both in Jail.

St. Joseph, Dec. 1.—What was to have been the public wedding of David Cunningham of Topeka and Bertha Fowler of Joplin, Mo., as an added attraction of a show which is being given here, was called off when the managers discovered the bride and groom occupying cells at police headquarters.

Friends of the couple surprised them in the afternoon with a spread and induced both of the honor guests to drink freely in response to toasts. The bride then decided she didn't want to get married. The groom insisted and his fiance knocked him unconscious with a pitcher. When he recovered Cunningham attacked Miss Fowler and beat her with his fists. Then the police stepped in and arrested both.

ANOTHER HYDE TRIAL POSTPONED

This Time it is a Cousin of the Kansas City Doctor—Shot at His Father.

Keytesville, Mo., Dec. 1.—Richard Hyde, a cousin of Dr. B. The case was on the docket for trial at this term of court, but has been continued until the May term of the court.

It is charged that Hyde held a kitten up by one leg and struck it on the head with a stick of stove wood. When his father called to him to stop he rushed into the house, got a revolver, and fired two shots that went close to his father's head. The father caused his arrest.
